The Systel Technical Education Society's is imparting quality education for last 27 years to rural and tribal students.

The Systel Technical Education Society's Systel Institute of Management and Research, Deopur, Dhule, established in 2002. Though comparatively new and young institute it developed fast under the visionary leadership of Hon. President H. C. Gharate and Hon. Director Dr. H. M. Patil. It is a self-financing institution, affiliated to Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon. The Institute offers under graduate and post graduate courses namely, **BCA, BBA, and MMS (Computer Management)** through English medium. The Institute has been imparting quality Commerce Management and Computer education to the students for more than twenty five years.

To provide poor students of rural areas a value driven and technology oriented academic environment to achieve their dreams and vision. It is a pioneer institute in the field of Computer and Management education.

The institute has high value of integrity and sustainability in its approach and believes in providing a perfect blend of wisdom and experience to young minds. It provides designed education system with array of programs and expert faculties, the institute aims to be recognized as a key contributor in innovative management education in India.

Vision //

"Committed to provide value based, quality, professional and technical education to the students and empowering them with the required skillsets and competencies to face challenges of the fast changing global environment."

Mission //

- ◆ To provide necessary technical and professional education with a view to uplifting the lives of rural and urban students.
- ◆ To create a conducive platform for students to develop their skills and knowledge.
- ◆ To encourage innovation and research aptitude among students.
- ◆ To inculcate global ethics and human values in all the learners.
